# Gold Package

## **What is our gold package?**

For groups or parties looking to indulge, our gold package is right for you. Our gold package includes quality executive or VIP coach hire, a coach driver and a coach and tour manager. In addition, we also offer complimentary tea, coffee and soft drinks (alcoholic beverages also available at an additional charge) to all your passengers as well as a set continental breakfast, lunch or supper either served around tables of four on our VIP coaches with full tableware etc. or served in bridgeable packaging on our executive coaches.

## **How will this be priced?**

Costs are calculated on mileage as well as driver and coach manager hours. In addition, we also will include food and drinks based on price per head.

## **What is a coach and tour manager?**

The coach manager accompanies the driver and is in-charge of making the hire run as smooth as possible. Your tour leader or organiser will communicate on the day with the coach manager to ensure all your requirements are met. The coach manager will deliver a safety and welcome speech to your passengers, deliver the on-board service as well as ensure all safety related duties are carried out on the coach. If booked as part of a day tour, the coach and tour manager will ensure that everything runs according to plan at the destination.

## **Overall what is included?**

- Executive or VIP coach hire (you choose)
- Coach driver
- Coach manager
- On-board continental meals.
- Complimentary tea, coffee, soft drinks (alcohol at an extra charge)
- Dedicated account manager to help plan your coach hire

## **What is a 'VIP coach'?**

Our VIP coaches are suitable for any group or party wishing to spend a little more on travel and get to their destination safely and in style. Our executive coaches feature comfy reclining seats, air conditioning, an on-board toilet, tables of four, USB ports\* and footrests\*, a full kitchen, aircraft style lockers and lots more!
